Installation support

Remote technical support provided by Electronic Service Request — the new Software Group strategic tool for customers with Passport Advantage® Software Maintenance contract — will be withdrawn.

Remote Technical Support provides product support services for new defects. All other elements of IBM support offerings will continue to be provided.

Refer to the software support Web site for product support information

<http://www-3.ibm.com/software/support/>

Trademarks

iSeries, Everyplace, AIX 5L, and Red Brick are trademarks of International Business Machines Corporation in the United States or other countries or both.

DB2, DB2 Connect, zSeries, DB2 Universal Database, AIX, and Passport Advantage are registered trademarks of International Business Machines Corporation in the United States or other countries or both.

Intel is a registered trademark of Intel Corporation.

Windows and Windows NT are trademarks of Microsoft Corporation.

UNIX is a registered trademark of the Open Company in the United States and other countries.

Linux is a trademark of Linus Torvalds in the United States, other countries or both.

Other company, product, and service names may be trademarks or service marks of others.
